

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Integrated Mother and Child Health Services – Strengthening the Neonatal Care Services in Government Hospitals - Establishment of Special Care Newborn Units (SCNUs), New Born Stabilization Units (NBSUs) and New Born Care Corners (NBCCs) in identified Health Facilities - Orders – Issued.

HEALTH, MEDICAL AND FAMILY WELFARE (D2) DEPARTMENT

G.O. Ms. No. 121

Dated: 02.05.2011

Read the following:

1. Administrative Approval of NRHM PIP 2010-11 by the Ministry of Health & Family Welfare, Government of India, F.No.10(3)/2010, NRHM- 1, Dt.23-6-2010
2. From the Commissioner of Health & Family Welfare, Lr.Rc.No.5441/PO-NRHM /2010, dt.20.01.2011.

ORDER:

1. The Government has been taking a number of measures to secure universal access to quality health care to all citizens of the state. In this direction, the Government is committed to achieving the health related Millennium Development Goals (MDGs) by 2015. In this context, the state government is launching a comprehensive programme of action, encompassing health facility strengthening, rational positioning of skilled human resources, capacity development, community participation, decentralized decision making, and customized targeted interventions for addressing the needs of the vulnerable groups.

2. The Government's endeavour is to achieve the NRHM goals of reducing Infant Mortality Ratio (IMR) to below 30 per 1,000 live births and Maternal Mortality Ratio (MMR) to less than 100 per 100,000 live births by the year 2012-13. In this background, the government has identified the reduction of neonatal mortality from the current 34 per 1,000 live births to less than 20 per 1,000 live births by the end of 2012 fiscal year as one of the key priority objectives of the Integrated Mother and Child Health Action Plan (IMCH Action Plan). Recognizing that the neo-natal mortality ratio continues to be higher in the rural and tribal areas, especially amongst the Scheduled Tribal and Scheduled Caste communities, the Government has decided to strengthen the neonatal care services in all health facilities (PHCs, CHCs, Area, district and teaching hospitals) across the state with sharper focus on remote, interior and tribal areas and habitations.

3. Accordingly, the government hereby orders for the systematic implementation of Integrated Management of Neonatal and Childhood Illnesses (IMNCI) by all functionaries of the Health, Medical and Family Welfare Department at the community level as well as in the government health centres and hospitals across the state at no cost to the family of the child. The Government

orders that both Community-based as well as the Facility-based IMNCI is implemented with immediate effect.

4. In order to reduce the neonatal mortality ratio to less than 20 per one thousand live births by the end of 2012 financial year, the Government hereby accord administrative sanction for strengthening seven (7) existing Special Care Newborn Units (SCNUs); establishment of seventeen (17) new SCNUs, each with twenty beds; establishment of eight (8) new SCNUs in the tribal areas, each with twelve beds; establishment of one hundred and ten (110) Newborn Stabilisation Units (NBSUs) in all Area Hospitals and district hospitals; and five hundred and ninety (590) New Born Care Corners (NBCCs), with an initial investment of Rs.3,576.34 lakhs (Rupees three thousand, five hundred and seventy six lakhs and thirty four thousand). The establishment of neonatal care facilities will adhere to the following principles:

- a) Level I: New Born care corners (NBCCs) in all Primary Health Centres (PHCs) currently conducting deliveries; and in the operation theatres of Level II & III MCH facilities.
- b) Level II: New Born Stabilization Units (NBSUs) in all First Referral Units (FRUs, i.e., Community Health Centres and Area Hospitals) conducting more than 600 deliveries per year.
- c) Level III: Special Care New born units (SCNUs) in select level III MCH facilities (District and Teaching Hospitals) with a delivery load of more than 4,000 deliveries per annum; these norms are relaxed for the remote and tribal areas.

5. The government hereby accords administrative sanction for the following budgetary resources from the National Rural Health Mission (NRHM) grant relating to the financial years 2010-11 and 2011-12:

A. Infrastructure Development (Rs in Lakhs)

| SN | Description | Units | Unit cost | Total |
|----|--------------------------------------|-------|-----------|----------|
| 1 | Strengthening Existing SCNUs | 7 | 38.00 | 266.00 |
| 2 | New SCNUs (20 bedded) | 17 | 38.00 | 646.00 |
| 3 | New SCNUs in ITDA areas (12 bedded) | 8 | 30.00 | 240.00 |
| 4 | Neonatal Stabilization Units | 110 | 5.00 | 550.00 |
| | Total Budget | | | 1,702.00 |

B. Equipment Installation, Commissioning and Maintenance (Rs Lakhs)

| SN | Description | Units | Unit cost | Total |
|----|--|-------|-----------|----------|
| 1 | Equipments for existing SCNUs | 7 | 29.25 | 204.75 |
| 2 | Equipments for new SCNUs (20 bedded) | 17 | 27.67 | 470.39 |
| 3 | Equipment for new SCNUs (12 bedded-tribal) | 8 | 19.60 | 156.80 |
| 4 | Equipment for Neonatal Stabilization Units | 110 | 5.40 | 594.00 |
| 5 | Procurement of New Born Care Corners | 590 | 0.76 | 448.40 |
| | Total Budget | | | 1,874.34 |

C. Budget Abstract (Rs Lakhs)

| SN | Description | Total |
|----|--|----------|
| 1 | Infrastructure Development | 1,702.00 |
| 2 | Equipment Installation & Commissioning | 1,874.34 |
| | Total Budget | 3,576.34 |

6. The list of approved facilities for establishment of NBSUs, SCNUs and NBCCs is annexed to this order. The implementation of the entire project at the state level will be coordinated by the NRHM Mission Director under the overall supervision of the Commissioner of Health and Family Welfare (CH&FW). The concerned Head of the Department – the Director of Medical Education (DME), the Director of Public Health and Family Welfare (DPH&FW) and the Commissioner of APVVP – shall be directly responsible for the establishment, commissioning and management of these newborn care centres. The Managing Director of AP Medical Supplies and Infrastructure Development Corporation (APMSIDC) shall be responsible for the civil works, procurement, installation, commissioning and comprehensive maintenance and service support for a period of seven years duly following the rules, regulations and procedures established by the government.

7. All civil works and procurement, installation, commissioning and management of the SCNUs, NBCCs and NBSUs in the ITDA areas will be executed by the Commissioner of Tribal Welfare through the Project Officers of ITDA with the technical support of NRHM Mission Director, UNICEF Technical Support Unit (SPMU), and APMSIDC. The funds will be released by the Mission Director to the concerned Head of the Department, who shall be responsible for close supervision and monitoring of implementation of the project duly following the rules, regulations and procedures established by the Government. The head of the hospital shall be squarely responsible for early commissioning and effective functioning of the neonatal care facility under the technical support and leadership of the head of the Paediatrics department of the concerned hospital. At the district level, the NRHM District Programme Management Unit (DPMU) of the District Medical and Health Officer (DMHO), the District Coordinator of Hospital Services (DCHS), and the Superintendent of the teaching Hospital working through the IMNCI coordinator under the overall control of the District Collector will be responsible for supervision, coordination and monitoring of the establishment and management of the neonatal care facilities.

8. The Government hereby order for the establishment of a Task-Force for the overall coordination and management of the Neonatal Health Project (NHP) under the chairmanship of the Commissioner of Health and Family Welfare (CH&FW). The Task-Force will include the Commissioner of Tribal Welfare, Commissioner of Women and Child Development, Commissioner of APVVP, Directors of Medical Education and Public Health, and Managing Director of APMSIDC. The Mission Director shall be the Member-Convenor of the Task-Force. The TF shall also include the Neonatal and Child Health Consultant of MNCHN Cell of SPIU, Superintendent of Nilofer Hospital, two senior Professors of Paediatrics / Neonatology, a representative of Indian Academy of Paediatrics and of National Neonatology Forum, and two eminent neonatologists to be co-opted by the Task-Force as fulltime members. This Task-Force shall be responsible for planning, implementation and monitoring of all activities related to neonatal health that should encompass

both the government and the private sector as well as the non-profit health sector. In this direction, the Task-Force may co-opt the representatives of the private and non-profit neonatology facilities.

9. The Task Force shall review and approve all activities relating to the successful implementation of NH Project, including the designs for civil works, specifications for the equipment, stipulation of standards for the human resources, establishment of standard operating procedures, and institutionalisation of the Management Information Systems. The Task-Force is hereby authorised to obtain necessary technical assistance required for successful realisation of the objectives of the project from any national and international agency in consultation with UNICEF. The CH&FW is authorised to incur such expenditure that might be necessary in this regard.

10. The Commissioner of Health and Family Welfare shall monitor the progress and submit monthly performance reports to the Government. The Director of Medical Education, Director of Public Health, Commissioner of APVVP, Commissioner of Tribal Welfare and the Managing Director of APMSIDC shall be responsible for the timely and effective operationalisation of these units. All concerned shall take necessary action in this regard.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

DR PV RAMESH
PRINCIPAL SECRETARY TO GOVERNMENT

To
